

BOTTARGA

Welcome to Bottarga's wine program, passionately curated by our owner, Somi. Despite our limited space, we strive to offer a diverse selection of wines from around the world, including limited vintages and some rare bottles.

With meticulous temperature control and storage, each bottle is thoughtfully selected to complement our culinary offerings. We also utilize Coravin, an innovative wine preservation system. This allows us to extract a glass of wine without removing the cork, preserving the rest of the bottle's contents for future enjoyment.

At Bottarga, we believe in sharing our love for wine. That's why we invite you to bring your own bottle on Tuesdays, Wednesdays, and Thursdays for a corkage fee of \$35. It's a way for us to foster a sense of community and enhance your dining experience with the perfect pairing of food and wine.

Let's explore new flavors and creating memorable moments at Bottarga!

"Nella botte piccola c'è il vino buono"

In small barrels, there's good wine.
